**Description:** The kids of the gender team are ready to show you the way, are you ready to color, learn, and play? Inside you'll find stories, pictures, games and more to encourage and remind you that you are free to be!

Gender is something relevant to all of us because we all express gender. You may or may not be transgender. You may or may not know a transgender child. The truth is that doesn't matter. We are all on this planet together. Gender Now is meant to provide reflection and support unity by showing multiple genders standing together. It is a specific opportunity to create balance and awareness by including gender expressions that are under-represented in our current culture.

**Intended Audience:** Children ages 3+; Transgender Children & Adults; Educators & Parents of Transgender Children

**Subjects:** JNF001505 Juvenile Nonfiction : Activity Books - Coloring Books  
SOC032000 Social Science : Gender Studies
